Title of the paper
First Author¹, Second Author² and Third Author¹

¹Address of the first author (Department, Faculty, University, Postal Code, Country)
²Address of the second author (Department, Faculty, University, Postal Code, Country)
³Address of the third author (Department, Faculty, University, Postal Code, Country)
*Corresponding author. E-mail : xxxx@xxxx.com

Abstract
NOT MORE THAN 250 WORDS.

Key words:

Introduction

Methodology

Results

Conclusion

References

Citation of authors in the text should appear in the form: Peter (2006) or (Peter, 2006). Authors should be cited in chronological order as: (Blackman et al., 2004; Roberts & Kumar, 2005).

References

References list must be based on the name and year system, give full journal titles and conform to the following styles:
Please list papers by more than two authors, but with the same first author, by year sequence and alphabetically within each year.

Journal articles:

Mel D.T., 2000. Some ecological aspects of fish populations in tropical rice fields. *Journal of Science* 19: 215-222.
